28th August 2018

Dear Parents/Caregivers,

Te Moana Syndicate have been invited to participate in a tree planting project in partnership with Kapiti Sustainable Coastlines Trust at Whareroa Farm on Wednesday 12th of September. Our syndicate will travel in two groups with the Year 6's departing school at 9am and returning to school at 12pm. This is to allow for their visit to the Raumati Technology Centre in the afternoon. Our Year 5 students will leave school at 12pm and return to school at 3pm.

This is a wonderful way to participate and contribute towards improving our natural environment and fits in well with our topic of Citizenship this term.

Students will be taken by bus to the venue. We require parent support to help look after groups of children at the planting. There will be some standing room on the bus for parents however, if space is limited some adults may need to take their own transport by private car.

Students will need to bring the following items:

- Gumboots or suitable footwear
- Wet weather gear- including a jacket or rain poncho (NO JACKET-NO GO)
- Warm clothing
- A change of clothing- including shoes and socks (you may get wet and will need these for the afternoon back at school)
- A drink and morning tea or lunch

Please return money and permission slips to the money box no later than 9am MONDAY 10th September.

Many thanks

Vanessa Brewer, Shelley Evans, Kaye Gilman, Tony Webb, Bek Winter, & David Parr

.....
I have enclosed \$4 for transport to the venue: I have paid via Kindo:

I give (child's full name) _____ of Room _____ permission to go on the trip to Whareroa Farm.

Signed _____

I can / cannot accompany you on the trip as an adult supervisor.
