

Te Motu Trip to Kapiti Island

February 2018

Kia ora parents and caregivers of Te Motu students

We are all getting excited about our trips to Kapiti Island this term. The dates of the 4 trips are Monday 12th March, Monday 19th March, Tuesday 27th March and Wednesday 28th of March. If any of the trips are postponed due to bad weather, it will take place on the next available fine day. The trips to Kapiti Island will not be in class groups. Each class will be split into 4 groups. These groups will be joined across the syndicate creating 4 groups of students.

We will be working on a 4 day cycle of activities. Each student will be involved in every activity. These include a day trip to Kapiti, a day on an art workshop at school, an Enviro study day at school and a student selected enquiry. Teachers will rotate with the groups on each activity. The day which your child participates in each activity will be decided as soon as we have sorted the parent helpers for the day trip to Kapiti, as we need to ensure that we have enough adult supervision to cover each trip. As soon as this has been confirmed, we will send home a detailed letter with what your child will need each day and what activity your child will be involved in each day.

Attached to this letter is a consent form for students to go to Kapiti, and a request form for parent helpers. We will need 8/10 adults on each day trip to Kapiti, this includes teachers and teacher aides. Before you race into signing up, there are a few things to consider. If you wish to put your name forward to help please read through and tick the checklist below to help us with the selection process. Due to restriction on numbers, we may not be able to take all adults who would like to join us.

To help us with organisation, all student consent forms and parent helper request forms must be handed in to school by Monday 26th February. Payment of \$40 per child can be made through Kindo now.

Any queries, please don't hesitate to contact us.

Nga mihi nui ki a koutou

Te Motu Trip to Kapiti Island

Adult Request to Help with Supervision on Trip to Kapiti Island

- I am physically fit. I have no physical or medical limitations, and will be able to walk to the top of Kapiti Island.
- I am a seaworthy traveler.
- I am totally flexible on the days I can go to Kapiti (remembering that if a trip is postponed due to bad weather, you would not be informed before 8am that day, and you would need to be able to make the next available day – this could even be the following week depending on what Mother Nature throws at us!
- I can pay the \$40 to cover my fare and DOC Permit to visit the Island. (please do not pay this until you receive confirmation that you are needed.)

Could you also indicate the following:

- I am available from 8am – 4pm on Monday 12th March
- I am available from 8am – 4pm on Monday 19th March
- I am available from 8am – 4pm on Tuesday 27th March
- I am available from 8am – 4pm on Wednesday 28th March
- I will be available from 8am – 4pm any other day following the above
- I am a registered driver with a warranted car. I would be able to transport _____ students wearing seat belts to and from School and the Kapiti Boating Club on the day I am assigned to go to Kapiti.
